

**FINGERPRINT INFORMATION**  
**For License Issuance or Renewal on or after January 1, 2019**

In order to comply with statutory amendments to both the PT and OT Practice Acts made during the 85th Legislative Session regarding criminal background checks, physical therapists (PTs) and physical therapist assistants (PTAs) licensed by the Texas Board of Physical Therapy Examiners (TBPTE) and occupational therapists (OTs) and occupational therapy assistants (OTAs) licensed by the Texas Board of Occupational Therapy Examiners (TBOTE) will be required to submit their fingerprints for state and national criminal history background checks. **This includes those applying for their license which will be issued on or after January 1, 2019 and those already licensed prior to their license expiration date if renewing on or after January 1, 2019 with the exception of inactive status.**

If renewing a license prior to January 1, 2019 even if the expiration date is afterward, compliance with the requirement will be prior to the next renewal.

Licensees renewing their license on inactive status or changing their status from active to inactive will only need to comply with the fingerprinting requirement when reinstating their license to active or retired status.

Prior fingerprinting for any other purpose will not satisfy this requirement as other entities are not allowed to share criminal history background check results with us.

Once an applicant or licensee has satisfied this requirement for the issuance or renewal of their license, the individual will not be required to submit fingerprints as part of the renewal of their license in the future.

Results of the fingerprinting will be sent directly to the Executive Council of Physical Therapy and Occupational Therapy Examiners (ECPTOTE) both from the Texas Department of Public Safety Criminal Records and the Federal Bureau of Investigation.

You will not be given a copy of your fingerprinting results by ECPTOTE.

**Note:** Applicants for initial licensure should not submit fingerprints for review until after they have submitted the online application.

**Hard-Copy Fingerprinting** – For use outside of Texas (This includes out-of-country)

**If you reside outside of Texas and cannot schedule an appointment in Texas for a Live Scan,** you must be fingerprinted in ink on a card (only cards provided by ECPTOTE are acceptable) at a local law enforcement agency and must then submit the card directly to MorphoTrust USA to be digitally scanned and processed.

- Check the Identogo website first at: (<https://www.IdentoGO.com/services/live-scan-fingerprinting>) to see if digital fingerprinting is available in your area before requesting fingerprint cards.

**ATTENTION!**

All applicants are strongly encouraged to visit an enrollment center to have their fingerprints collected. Submitting a hard-card should be a last resort for either out of state applicants or home-bound applicants.

- Please be aware that submission of incorrect or invalid data, including but not limited to incorrect agency, fingerprint reason, or applicant demographic data, that results in the need to conduct a new fingerprint submission, will be at the applicant's cost.
- Fingerprints submitted on hard-cards are typically of lower quality and often result in FBI rejections.
- Processing of hard-card submissions takes significantly longer and will cause delays for you and your agency.
